20 January 2017

Country that the job is based in:

Republic of Moldova

Organisation:

National Centre for Child Abuse Prevention (NCCAP)

Job type:

Consultant for mid-term evaluation

Position Start Date:

February 2017

Duration:

3 months

Location:

Chisinau – Moldova

General conditions:

Local contract

Purpose of the Mid-Term Review

The consultancy aims at assessing the implementation and achievements of the project „*Protect the children from abuse, neglect and exploitation through a strengthened and functional child protection system*„, at its mid-term, in relation to the expected outcomes described in the project proposal. The evaluation will identify and analyse factors that contributed to results/ lack of results, in order to help the implementing organizations adapt and revise the intervention strategies.

Profile of the consultant

The consultant shall meet the following requirements:

- ✓ Relevant experience in the field of child protection (at least 5 years);
- ✓ Experience in project evaluation (at least 2 similar consultancies);
- ✓ Experience in working in Moldovan context and/ or other countries in Central and Eastern Europe;
- ✓ Experience in working with civil society organizations/ international organizations;
- ✓ Excellent command of English, both oral and written;
- ✓ Working knowledge of Romanian will be an asset.

The application dossier will include

- ✓ CV of the candidate;
- ✓ Technical proposal which will outline the evaluation methodology and the proposed working plan;
- ✓ Financial proposal (total cost, cost per day, travel costs, all in USD);
- ✓ Documents supporting the relevant experience of the candidate;
- ✓ At least 2 references.

The proposal shall be sent to the following address:

e-mail: office@cnpac.org.md with reference to “mid-term evaluation
